# MINEHAIR

"To thrive in life, it's crucial to be at peace with oneself."

## ABSTRACT

For young people who take care of their hair and want to prevent hair loss, MineHair is an Hair Style product that integrates an active ingredient that prevents hair loss, unlike the products currently on the market that have a curative function or an Hair Style ones. MineHair allows you to shape your hair and at the same time apply an anti-hair loss active ingredient so you will have a faster daily routine.

## GOALS

- One of a kind formula
- It would improve one's daily routine, particularly in terms of time and practicality
- Suitable for all hair types
- You 'll start seeing the first results in a few weeks
