# Alessandro Guzzini

CEO and owner at Finlabo sim  
Macerata Area, Italy

## Summary

I am an entrepreneur in the asset management and financial advisory sector.

I founded Finlabo SIM, an investment firm authorized and regulated by Bank of Italy and Consob, specialized on quantitative and absolute return strategies, of which I am currently Chief Executive Officer and Member of the Investment Committee.

In 2010 I co-founded MAR CAP, a boutique providing financial advisory services to small and medium enterprises.

I also am a director of Finlabo Sicav, a Luxembourg fund which offer a set of alternative Ucits with different strategies.

Specialties: Asset management, alternative strategies, quantitative financial models, business and financial strategies
