

KENNETH CUTRIGHT

Ohio University, Athens, Ohio
cutright@ohio.edu

EDUCATION

- Ph.D. Industrial Engineering, West Virginia University, Morgantown, WV, May, 1990.
- M.S. Mathematics, West Virginia University, Morgantown, WV, 1976.
- B.A.. Mathematics, Glenville State College, Glenville, WV, 1969.

PROFESSIONAL EXPERIENCE

- 9/08- present Professor, Management Systems Department, Ohio University, Athens, Ohio.
- 3/07- present Associate Dean, Ohio University College of Business, Athens, Ohio.
- 9/07- 7/08 Interim Chair, Finance Department, Ohio University College of Business, Athens, Ohio.
- 7/05 – 7/07 Chair, Management Systems Department, Ohio University College of Business, Athens, Ohio.
- 7/01 – 7/07 Director of Undergraduate Programs, Ohio University College of Business, Athens, Ohio.
- 9/94 – 9/08 Associate Professor, Management Systems Department, Ohio University, Athens, Ohio.
- 9/90 - 9/94 Assistant Professor, Management Systems Department, Ohio University, Athens, Ohio.
- 1/85 - 9/90 Assistant Professor, Department of Industrial and Systems Engineering, Ohio University, Athens, Ohio.
- 8/81 - 12/84 Instructor, Department of Industrial Engineering, West Virginia University, Morgantown, WV.
- Summer 84 Industrial Engineer, National Institute for Occupational Safety and Health (NIOSH), Morgantown, WV.

Summer 82	Industrial Engineer, National Institute for Occupational Safety and Health (NIOSH), Morgantown, WV.
8/73 - 8/81	Mathematics Teacher; Head Basketball Coach; Assistant Football and Track Coach. Doddridge County High School, West Union, WV.
8/72 - 8/73	Mathematics Teacher; Assistant Football, Basketball and Track Coach. Magnolia High School, New Martinsville, WV.
8/70 - 8/72	Mathematics Teacher; Assistant Football and Basketball Coach; Head Track Coach. Gilmer County High School, Glenville, WV.
8/69 - 8/70	Mathematics Teacher. South Harrison High School Lost Creek, WV.

SPONSORED RESEARCH

7/88 - 08/90	Principal Investigator, West Virginia Department of Highways. Computer Based System for Scheduling Production and Controlling Inventories of Traffic Signs (\$67,125).
--------------	--

RESEARCH INTERESTS

My current research interests are in production scheduling, production and inventory control, simulation modeling, process improvement and innovative education.

TEACHING INTERESTS

My primary teaching interests at this time involve the integration of the core curriculum. In particular I teach the operations management class in the junior level integrated core cluster. Other interests are in the area of probability and statistics, operations research, and production and operations management. Specific classes that I have taught include Introduction to Probability and Statistics, Design of Experiments, Production and Inventory Control, Introduction to Operations Research, Project Management, Linear Programming, Nonlinear Programming, Dynamic Programming, Engineering Economy, and Production and Operations Management.

I have taught in the Athens MBA, Marietta MBA, Portsmouth MBA, Executive MBA, Tenaga CMBA (Malaysia), EMBA (Malaysia), Honors Tutorial classes, and numerous off campus courses.

CONSULTING ACTIVITIES

- 1991-1992 Whirlpool Corporation, Marion Division. Development of a model for forecasting field service incidence rates.
- 1989 TS TRIM INDUSTRIES INC., Athens, Ohio. Statistical Process Control.
- 1984 National Institute for Occupational Safety and Health (NIOSH), Morgantown, WV. Developed Basic Version of the DPSE recommended compliance program.
- 1983 Y & S Candies, Lancaster, PA. Production scheduling.
- 1982 National Institute for Occupational Safety and Health (NIOSH), Morgantown, WV. Statistical analysis on the performance of high efficiency respirators.

PUBLISHED SOFTWARE AND MANUALS

Cutright and Martin, "OMLS- Operations Management Learning Simulation", Thompson/South-Western Publishing, Spring 2004.

THESIS COMMITTEE MEMBER

I have served as a member on the examining committee for many graduate students in Industrial and Systems Engineering, Electrical Engineering, Mechanical Engineering, and Civil Engineering.

COMMITTEE ASSIGNMENTS

I have served on various committees in both the College of Engineering and the College of Business. Included among them are the University General Education Council, the University Curriculum Council, Graduate College Task Force, Bachelor of Specialized Studies Committee, the Undergraduate Curriculum CIT, the University Teacher Evaluation of Learning, the Scholarship and Recruitment Committee, the Cooperative Education Committee, the Computer Education Advisory Committee, the Graduate Committee, the Teaching Committee, Chair Search Committee, and Chair of the College Tenure and Promotion Committee. I have also been a member of the Faculty Senate.

AWARDS

Provost's Undergraduate Teaching Award 1993.

Selected as 1990-91 recipient of the University Professor Award at Ohio University (was not able to accept this award as I was moving from the College of Engineering to the College of Business).

Fritz and Dolores Russ Outstanding Undergraduate Teacher Award The College of Engineering and Technology, Ohio University 1988-89.
