**DECLARES TO BE AWARE OF AND TO ACCEPT THE RULES IN THE UNIVPM PROTOCOL FOR THE  
APPLICATION OF THE DPCM (Decree of the Italian President of the Council of Ministers)  
OF 26 APRIL 2020  
AND THEREFORE ACCEPTS**

- ☐ The **OBLIGATION** to stay at home in case of fever (higher than 37.5 C°) or other flu symptoms and to call the physician and the competent Health Authority;
- ☐ The **OBLIGATION** to refrain from entering or remaining at the university premises in case of those dangers (flu symptoms, fever, travelling from zones where the COVID-19 is spreading according to the WHO, or contacts, in the preceding 14 days, with patients infected with SARS-CoV-2, etc.) for which the competent Authority acts require to inform the physician and the Health Authority and to stay at home. These situations must be promptly reported;
- ☐ The **OBLIGATION** to comply with all rules set forth by the competent Authorities and by UNIVPM regarding the access to university premises (in particular, to keep a security distance of at least 1 meter, to wear correctly personal protective equipment inside the university premises, to wash hands frequently, and to observe good hygiene practices);
- ☐ The **COMMITMENT** to inform, duly and promptly, the Head of the Structure about any flu symptoms arising while working or while undertaking any kind of activity at the premises of UNIVPM. Under these circumstances, the person is required to keep a proper distance from other people in the building and to wait the Designated Service to carry out the required procedure relative to respiratory infections as set out in the protocol;
- ☐ The **OBLIGATION** for university employees who have tested positive for SARS-CoV-2 to forward to the Designated Doctor the medical certificate that proofs the negativisation of the swab. The employees will be subject to health surveillance before getting back to work and therefore before entering the UNIVPM premises.

**I am aware that respecting these rules represent a precise individual and social responsibility and that everybody is expected to observe rigorously the above reported instructions, whose aim is to protect individuals and the entire community. For the staff members, these requirements complement the code of conduct.**
