

**FACULTY OF ENGINEERING  
ACADEMIC YEAR 2018/2019**

The Board of the Faculty of Engineering of this University orders, by resolutions dt 07<sup>th</sup> February 2018, to appoint one Professor for the module which will be introduced in the Academic Year **2018/2019** in the "Environmental Engineering" Master's Degree Course, as follows:

Teaching Module	Degree Course	Credits	Hours	Scientific-Disciplinary Field	Gross salary paid
Gaseous Emissions and Treatment Plants	Environmental Engineering	6	48	ING-IND/22	€. 10.000,00

The afore-mentioned module shall be taught exclusively in English. The appointed Professor, who shall come **from Universities abroad** and have a proven scientific and professional experience, shall be hired under a temporary employment **contract** governed by private law.

The following are also necessary:

- time from graduation (Master's degree from the new and old University system) of not less than 10 years, unless candidates have been conferred with a doctoral degree. In this case the time from graduation shall amount to not less than 5 years;
- not to be more than 70 years of age, unless the candidates already belong to the categories of regular professors or university researchers.

Being party in more than one contract can result in the exclusion from the selection procedure. The candidates, who as party in a teaching contract have not duly submitted the class registers of the Academic Year 2016/2017 to the Students' Offices within the deadline of this call, will be excluded from the selection procedure too.

The salary is defined by the Faculty Board, according to the laws and regulations in force.

Candidates shall submit the attached application form, along with a valid ID document, to the Rector of Università Politecnica delle Marche, via Menicucci 6, not later than

**6 MAR. 2018**

Applications, as in the form attached to this call, can be forwarded by certified email to the following certified email address [protocollo@pec.univpm.it](mailto:protocollo@pec.univpm.it) only from another certified email (maximum size of the attachments is 10 MB) or sent by registered post (via Menicucci, 6 60121 Ancona). In this case applications have to be sent in two copies and evidence will be constituted by the date of receipt of the Post Office.

The following documents must be enclosed in the application:

- curriculum vitae;
- list of publications;
- additional awarded titles which the candidates may deem important for selection purposes;
- module content and textbooks to be adopted.

Candidates who are related within the fourth degree by kinship or marriage to the Rector, the General Manager, any member of the governing body, any professor or researcher of the appointing University are excluded from the selection.

UNIVERSITÀ  
POLITECNICA  
DELLE MARCHE

The candidates will be selected considering the candidates' scientific and professional achievements, any professional and academic titles expressly mentioned, as well as all submitted publications and works, according to the following criteria:

- consistency of the academic and professional career with the aims of the module the candidate is going to teach;
- quality of the scientific production of the candidate that must be adequate to the scientific disciplinary sector as in this call. To this effect, a doctoral or specialization degree will be a preferred option, pursuant to Art. 23, par. 2 of the Italian Law n. 240 of 30th December 2010.

The budgetary resources provided to cover the costs resulting from the appointments in this call have been duly verified and confirmed.

Ancona, 22 FEB. 2018
