

Company information

Our client is a world leader in the production of medical devices.

(Senior) Supply Chain Planner/Analyst (EMEA)

Context:

The Supply Chain team is centralized in the Netherlands and plays an important role in the further optimization and development of the global planning processes. The team is focused on the development of professionals and offers plenty of opportunities for ambitious potentials who want to make a difference.

Job description

Within the Supply Chain Planning team you will provide advanced support in the coordination of product availability to meet customer requirements in the EMEA region in line with the business Supply Chain strategies and processes. In order to achieve the agreed service levels at optimized inventory, you will execute analyzes and monitor incoming supply, planning parameters and inventory levels. You support improvement initiatives to increase business SC performance (X-functional, regional or Global). You will work in close cooperation with different stakeholders (Demand planning, Inventory Management, Global Supply Chain, Regional/Country business).

Requirements

- Bachelors or Master's degree in supply chain;
- 3 to 5 years of experience in Supply Chain Management (BA) in an international environment;
- 0 to 3 years of experience in Supply Chain Management (Master) in an international environment;
- Computer literacy (MS-Office, Excel and preferably SAP / ERP);
- Excellent command of the English language;
- Understand KPI and performance settings;
- Spirit of Continuous improvement;
- Passion to win.

To be successful in this role, you are a natural problem solver with strong analytical skills and a pro-active, hands-on mentality. You have a distinct drive for execution and results and a clear focus on customer satisfaction. You are a team player, who's able to build lasting relationships with colleagues in other departments and disciplines. Managing several tasks and projects at once poses no problem for you, as is working under pressure.

Location

The Netherlands
