INTERNATIONALISATION

UNIVPM AIMS TO BE A TRULY BORDERLESS UNIVERSITY: ENTIRE DEGREES ARE DELIVERED IN ENGLISH AND AN EXTENSIVE NETWORK OF FOREIGN PARTNERS IS BEING DEVELOPED

- **Double-title Degrees** with Partner Universities in **Albania** (Agricultural University of Tirana), **Argentina** (Universidad Nacional del Litoral), **Croatia** (University of Zadar), **Germany** (Heilbronn University), **Kosovo** (Riinvest College), **Poland** (Gdansk University of Technology), **Spain** (Universidad Jaume I), **USA** (The Catholic University of America).
- An ever-increasing number of **Memorandums of Understanding** with Partner Universities **in the whole world**.
- **IMBRSea**, the **International Master** of Science in Marine Biological Resources, is a joint Master programme organised by ten leading European universities in the field of **Marine Sciences**, supported by the European Marine Biological Resource Centre (EMBRC). UNIVPM is a full Partner University.

INTERNATIONALISATION

UNIVPM AIMS TO BE A TRULY BORDERLESS UNIVERSITY: ENTIRE DEGREES ARE DELIVERED IN ENGLISH AND AN EXTENSIVE NETWORK OF FOREIGN PARTNERS IS BEING DEVELOPED

- **Erasmus Plus Programme Key Action 103 & Key Action 107 (for Studies & Traineeship)**, with more than **230** Inter-Institutional **Agreements** with EU and extra-EU Partner Universities in more than **30** foreign **countries**.
- **‘Campusworld’**, a programme designed and implemented by UNIVPM to offer students and recent-graduate students the chance of performing a valuable professional experience of **internship** in a private firm or research centre located in any country of the world.
- **UNIADRION Italy (Erasmus+ Consortium)**, consisting of 13 Italian Universities **led by UNIVPM** in promoting the cooperation between Universities and research centres in the Adriatic-Ionian region. The involved foreign countries include Albania, Bosnia-Herzegovina, Croatia, Greece, Montenegro, Serbia, Slovenia and the partnership complies with the 2014-approved **“European Strategy for the Adriatic-Ionian Region”** (EUSAIR).

GLOBAL RECOGNITION

In 2020, UNIVPM was listed in the **QS World University Rankings**, the global ranking of the **most qualified** Universities worldwide.

In 2021, UNIVPM was ranked 290 for the impact on research
