

TITLE: COVID-19: Gli effetti sul nostro benessere psicologico

Principal investigator: Prof. Fabio Fiorillo, f.fiorillo@univpm.it, tel: 0712207113 - 3285495348

UNIVPM Research Group: UNIVPM, UNIME, UNIUD

Research activity description: The research is based on a survey of over 4000 students of the three participant universities. It will address these topics (in order of priority):

- 1 - An analysis of who has best dealt with the pandemic: labor condition, family condition ...
- 2A – The demand of Personal Protective Equipment (PPE)
- 2B – The Digital Divide
- 2C – The relation between anxiety and availability of basic goods.
- 3A - Curriculum of studies and moods.
- 3B - Relation between anxiety and online education.

Collaborators: Prof. Antonio Palestrini
